

## CUMBRIA CRYSTAL

HAND CRAFTED IN ENGLAND

### Cumbria Crystal

The last producer of hand-blown and hand-cut luxury English crystal in the UK.

Cumbria Crystal is famous for producing the highest quality lead crystal.

All experiences are delivered by a highly skilled professional glass maker who will guide you through your chosen experience step-by-step. Your safety is our paramount concern so you will enjoy extremely close supervision & tuition. Once completed your crystal is put into an annealing oven to cool overnight. You will be advised when it will be available to collect. We are happy to arrange postage if it is not feasible to collect.
